

Basic to Advanced Clinical Urodynamics

W47, 15 October 2012 08:30 - 17:00

Start	End	Topic	Speakers
08:30	08:50	ICS Standardisation of Terminology: Where we are and how do we move forward?	<ul style="list-style-type: none"> • Marcus Drake
08:50	09:20	Bladder Storage Function and LUTS	<ul style="list-style-type: none"> • Anders Mattiasson
09:20	10:00	Good Urodynamic Practice - Storage Function	<ul style="list-style-type: none"> • Werner Schaefer
10:00	10:30	Break	
10:30	11:00	The Pre-Urodynamic evaluation to define the Urodynamic Question	<ul style="list-style-type: none"> • Jerry Blaivas • Marcus Drake • MaryPat Fitzgerald • Karl Kreder • Anders Mattiasson • Jeffrey Weiss
11:00	12:00	Presentation of Clinical Cases and Discussion Bladder Storage Dysfunction: OAB, Urgency, DO, Urge Incontinence, Stress Incontinence, Mixed	<ul style="list-style-type: none"> • Jerry Blaivas • Marcus Drake • MaryPat Fitzgerald • Karl Kreder • Anders Mattiasson • Chris Payne • Jeffrey Weiss
12:00	13:00	Break	
13:00	13:30	Good Urodynamic Practice - Voiding Function - Men & Women	<ul style="list-style-type: none"> • Werner Schaefer
13:30	13:45	Bladder Outflow Obstruction in Women	<ul style="list-style-type: none"> • Jerry Blaivas
13:45	14:45	Presentation of Clinical Cases and Discussion: BOO in men & women, detrusor contractility issues; storage & voiding dysfunction; urodynamics of PPI	All
14:45	15:15	Break	
15:15	15:30	The Basics of Urodynamics in in Neurogenic Lower Urinary Tract Dysfunction	<ul style="list-style-type: none"> • Anthony Stone
15:30	15:50	The Role of Video-Urodynamics	<ul style="list-style-type: none"> • Limin Liao
15:50	16:20	Presentation of Clinical Cases and Discussion: Neurogenic Lower Urinary Tract Dysfunction	<ul style="list-style-type: none"> • Jerry Blaivas • Marcus Drake • MaryPat Fitzgerald • Karl Kreder • Limin Liao • Anders Mattiasson • Anthony Stone • Jeffrey Weiss
16:20	16:30	A Good Urodynamic Report: How does that look like?	All

Aims of course/workshop

This workshop will offer a comprehensive overview of urodynamics. Starting with ICS standards of Terminology and Good Urodynamic Practice, we then step by step present theory and practice, from the storage phase with “overactive bladder” symptoms and detrusor overactivity to voiding dysfunction in males and females, with outflow obstruction and/or detrusor underactivity, and finally neurogenic lower urinary tract dysfunction, including a whole range of actual clinical urodynamic examples.

Notes
